Introduction

My name is David and I am looking to bring the innovation of digital media to your company. I enjoy telling stories and the best way to tell stories in today's world is digital media. Digital media is everything from social media to web design to videos and photos. These tools allow me to tell a story that customers can relate to.

Areas of Expertise

- Web Design
- Video Editing and Production
- Audio Editing and Production
- Social Media Analytics
- Photography
